### What is Wood Badge?

Wood Badge is the premier training program for the Boy Scouts of America. It teaches contemporary leadership and team development skills in an outdoor setting. Its purpose is to aid Scouters in providing a quality program that will enable scouts to grow to their greatest potential.

The course encompasses the key concepts of management from top leaders in the management field. Therefore, this course can be helpful in your career as well as in your scouting job.

The Wood Badge course will be conducted over two three-day weekends (Friday morning through Sunday afternoon). The Wood Badge experience consists of two parts: practical training and application.
